

BMHA Tryout Process for 2023/2024 Season

□ Non-Resident Player (NRP) Tryout Evaluations (AA Only)

□ U12, U13, U14, U15 and U16

Note: All NRP's must attend the 1st AA skate. All NRP's are required to be registered with an approved Home Centre (Non-Resident) Passport.

□ Select, HL and New Resident Identification Skate, this applies to the U10-U16 Age groups.

□ Open to current BMHA select, HL players & new resident players to the BMHA, residing within the BMHA boundaries for representative hockey.

Result: An invite to "AA" "A" (White &/or Blue)" or BB/MD camp or released back to BMHA HL

Note: It is the discretion of each A Coach to communicate the invite to attend the "A" tryout. The "BB/MD" coach can invite players directly to the "BB/MD" first tryout if not offered an 'A' tryout. You are required to be invited from the evaluation skate by a coach to attend "A" or "BB/MD" tryout. The coach will email you within 24 hours after evaluation skate.

No "HL and New Player Identification Skate" BMHA refund or credits will be issued if released back to HL. This may result in one skate for the tryout registration fee, NO EXCEPTIONS.

□ BB/MD Camp (A blue where applicable)

- 2 skate per age group
- Please be advised that this tryout skate might be split ice sessions based on tryout enrollment numbers.

Note: Players that have been invited to attend "AA" or "A" camp from this identification skate by the respective coach do not report to the 'MD' camp. They must report to their invited skate. From this invited starting point of tryouts, they would continue the process of attending one level lower after being released.

Note: Returning 2022/2023 "BB/MD" players may be invited to attend "AA" camp after this tryout. All invited players to "AA, A" will receive an email.

AA Camp

- Invites are limited to current 2022/2023 “AA”, “A White” and any coach invited players.
- All registered NRP’s will attend the 1st tryout.
- A maximum of five NRPs can be invited to the 2nd AA tryout that have been selected by each coach. All exceptions must be approved by Director of REP.

Note: *Players may be released after the first tryout, except for the incumbent players. All released players, except NRP, report to the A (White) camp.*

A White Camp

- Invites are limited to 2022/2023 “A” White and Blue & any players released from the AA tryout as well as any coach invited players. **NRP’s are not eligible.**
- Please be advised that this tryout skate might be split ice sessions based on player enrollment and invitation numbers.

Note: *Players may be released after the first tryout, except for the incumbent players. All players released report to “A Blue” camp where applicable.*

□ A Blue Camp, where applicable

- Invites are limited to 2022/2023 “A” Blue and BB/MD players & any players released from the AA, A White tryout as well as any coach invited players.

Note: *Players may be released after the first tryout, except for the incumbent players
. All players released report to BB/MD*

□ BB/MD Camp

- Invites are limited to 2022/2023 BB/MD players and all previous tryout releases from the “AA” and “A” tryout as well as any coach invited players.

Note: *Players may be released after the first tryout, except for the incumbent players All players released can register for House League as per the normal registration process.*

Players invited to higher level tryouts must attend those skates. Players must play on the team, division level, where they are offered a letter of commitment. If the Letter of Commitment is declined, the player will **ONLY be released to register for House League.**

A request to participate in the MD (non-contact) program only, must be sent in writing to the Director of Rep for your age group **prior to attending any evaluation skate. If you choose to tryout out for the non-contact team only, your player will then not be eligible to attend any AA or A tryouts. Your player, as well, will be ineligible to AP to any rep team.**
