Joint recall with Health Canada, the United States Consumer Product Safety Commission (US CPSC) and Sports Maska Inc.

Affected products

Reebok TCPRE Senior (SR) and Junior (JR) Goalie Throat and Clavicle Protectors

Product description

This recall involves Reebok TCPRE Senior (SR) and Junior (JR) goalie throat and clavicle protectors.

The following models are included in this recall:

Model/Size	UPC
K101JR TCPRE	884899896964
K101SR TCPRE	884899896957

The Neck Protectors are made from nylon and polyester. The model numbers or product codes are located (i) on the outside of the polybag header card in which the product may be sold at retail and (ii) on the inside label of each neck protector. Also visible on the outer surface of the product are the wordmark/logo "Reebok" embroidered in white. The BNQ certification mark/logo, the mention "BALLISTIC NYLON BALLISTIQUE", the model identification "TCPRE SR" or "TCPRE JR", the sizing information in lettered reference, and metric and imperial measurements are also screen printed in white.

The products are further identified by the following identifier code: 99X-YYK-TCPRE-BLK, where 9 can represent any number and X can represent any letter. This code is located on the inside label of each neck protector.

Hazard identified

The throat protectors have been decertified by Bureau de normalisation du Québec (BNQ) for non-conformance to certification requirements. This could pose a risk of throat laceration should a skate come in contact with the throat protector.

Neither Health Canada nor Sports Maska Inc. has received any reports of consumer incidents or injuries to Canadians related to the use of this throat protector.

Number sold

Approximately 8,100 units were sold in Canada and approximately 3,300 units were distributed in the United States.

Time period sold

The recalled units were sold from April 2012 to May 2014 in Canada and the United States.

Place of origin

Manufactured in China.
