

What a better way to improve your hockey skills in the off-season with the best dry land training the game has to offer.

We will continue to keep the local league format between the three municipalities as we did in previous years. There are no restrictions to residency rules therefore you are welcome to register where the schedule works best for you.

Our days/nights of play are as follows:

Innisfil (Sundays)

Bradford (Tuesday evenings)

Barrie (Thursday evenings)

The South Simcoe Ball Hockey League uses full indoor city rinks and runs its season from April 15 to June 25.

Every division with minimum of 4 teams will play 9 regular season games with 85% of them played in your home arena however as we continue to grow some of our bigger divisions could play as many as 12 regular season games.

We conclude our season with a championship weekend that consists of a 3 game guaranteed double elimination bracket tournament.

All our divisions with the exception of Squirt will receive a Jersey, Shorts and Socks whereas the U6 will only receive a Jersey and Socks.

We are the only league that is registered as a NOT FOR PROFIT organization in the city and are currently proud members of the [OBHF](#) (Ontario Ball Hockey Federation).

We are also the only league that is recognized by the [OHF](#) (Ontario Hockey Federation) and [Hockey Canada](#) and has the support of BMHA (Barrie Minor Hockey Association) and IMH (Innisfil Minor Hockey)

Players enrolled in our program will increase their ability to read the play while developing stickhandling creativity. They will improve on their hand-eye coordination while building strength and increasing their cardio ability.

We currently offer the following divisions

- U6 – 2017-2019 (learn to play)
- U8 – 2015-2016
- U10 – 2013-2014
- U12 – 2011-2012
- U14 – 2009-2010
- U16 – 2006-2008

ALL NEW GIRLS DIVISION

This year we have opened an all-girls group. All registrants will be added to a single group (division) and it will be re-evaluated once registration ends on March 31st, at that

time we will create divisions by years of birth and realign the groups accordingly. If we are unable to create divisions in certain age brackets we will contact parents with other alternatives prior to issuing a full refund.

While we offer a local league recreation of play for everyone our more talented individuals will also have the opportunity of being selected for the **South Simcoe** provincial team, which will compete at the South Simcoe Championships and the OBHF Provincials later in the season. At those events there may also be the possibility of being scouted for one of the CBHA **Junior Team Canada** teams (U16, U18 and U20)
