## **ARTICLE 1 – PREFACE AND INTRODUCTION**

### **1a) BMHA as a “Not for Profit” organization:**

Barrie Minor Hockey Association applied for incorporation under the *Corporations Act*, and under Part III of that *Act*, which indicates the company formed is a "non-share" or "not-for-profit" company. Incorporating the organization created a legally recognized entity known in Ontario as a non-share company (that is, it has **members not** shareholders). It is incorporated under the *Corporations Act* as a corporation that doesn't issue shares. BMHA has been incorporated since 1978.

In a corporation such as the BMHA, the money made can only be used or spent on achieving the purposes, goals or programs of the company, and cannot be utilized for the personal gain of members, or any one member, in the company. As per the requirements of the *Corporations Act* the BMHA carries on its activities without the purpose of gain for its members. Profits of the BMHA are used to promote the aims and objectives of the BMHA.

### **1b) Mission, Aims, and Objectives:**

Mission:

The mission of the BMHA is to provide the youth of Barrie and adjacent catchment’s area with the opportunity to participate in the pursuit of excellence in hockey by developing, encouraging and maximizing inclusive hockey opportunities for all players and volunteers, and to help prepare players to play to the best of their abilities.

The aims and objectives are as follows:

- To encourage, promote, teach and govern minor hockey within the BMHA.
- To promote fair play, sportsmanship, team play, good fellowship and good community spirit.
- To provide, through a carefully organized tiered system of competition, an opportunity for every participant to take part and to enjoy the game of hockey at his appropriate skill level
- To encourage excellence positively, but without undue pressure
- To strive for careful control of expenditures and active fundraising, so that the cost of participation is maintained at the lowest in order to ensure that involvement in hockey is accessible to all
- To encourage an association with no discrimination.

### **1c) Affiliations**

The association shall have the following affiliations:

- a) the Association shall be a member of the OMHA and,
- b) the Association shall operate in cooperation with the York Simcoe Minor Hockey League

## **ARTICLE 2 – GOVERNANCE STRUCTURE**

### **2a) Board of Directors**

The Corporations Act indicates that no person shall be a director of a corporation unless he or she is a member of the corporation, and, if the person ceases to be a member, he or she thereupon ceases to be a director (see membership eligibility). Therefore, a director is a member prior to his or her election as a director.

### **2b) Directors**

There are 12 Directors' positions plus the President and Past President that make up the Board of Directors. The Directors are: Rep Junior, Rep Senior, Finance, Sponsorship, Tournaments, House League Select, York Simcoe, IP, Ice, House League Junior, House League Senior, and Risk Management Director.

A director must always act for the good of the Corporation. It does not matter what the personal opinions or feelings of a director may be, but when a director is at a Board meeting considering matters and voting, his or her voting must, to the best of their ability and experience, be cast in a manner which assists or is the best for the Corporation.

Directors must maintain confidentiality as to what transpires at a Board of Directors meeting. The business matters which a director may state, are those motions approved and printed, in the minutes of a meeting.

### **2c) Eligibility and qualifications**

To be elected to the office of President, a candidate, during the year immediately preceding the election, must have served as a member of the executive committee. If no candidate(s) are available from the executive committee, then the candidate must have served as a member of a standing sub-committee chaired by a Director for rep or house league within the last 2 years.

To be eligible for election as a director, a candidate must have served, during any of the two years immediately preceding the election, as a member of a standing sub-committee of BMHA or, in the alternative, as a coach, manager, assistant coach, trainer, BMHA head coach, convener, or honorary life members.

A director must be eighteen (18) or more years of age and shall not be an undischarged bankrupt or of unsound mind.

### **2d) Security Clearances**

All BMHA executive members and members of standing sub-committees, as well as convenors within Rep and House League will be required to supply an up to date police check, per the security policies of the BMHA. In addition, all such members are required to complete an approved or RIS (Respect in Sport, Online Speak Out) course as defined by the OMHA and Hockey Canada. Failure to do so on the part of any member will require temporary removal from the committee and/or position until this condition is met.

## **2e) Remuneration and Expenses**

The Directors/Executive members shall receive no remuneration for acting as such, but such prohibition does not prevent reasonable remuneration for expenses of Directors/Executives expended on business matters of the Corporation as approved by the Board from time to time. See By-law #1.

## **2f) Elected Terms of Office**

It is understood that the BMHA Board of Directors will be comprised of 14 executive positions made up of 12 Directors, plus the President's and Past President's position. The positions will be elected for two year terms, with a view to having 50% of the Executive positions elected in each alternating year (odd and even numbered years). This will help to ensure continuity among the Executive Board and promote corporate memory. See By-law #2 for additional details.

**2g)** In order to implement the provisions of this bylaw, the team of all incumbent Directors of this association at the date of adoption of this bylaw, shall expire and terminate on the date of the Annual General Meeting next following the date of implementation of the bylaw.

## **2h) Duties of Elected Directors**

All duties, responsibilities, mandates, policies and procedures will be established and maintained as required by the executive committee and will be recorded as policies and procedures of BMHA. Access to these records is made available to all members of BMHA. The association may be Special Resolution, increase or decrease the number of its Directors. Any change in the number of Directors shall be in compliance with prevailing Ontario laws and regulations.

Additions, changes corrections etc., to the policies and procedures of BMHA can be requested by any member of the association. Requests must be in writing to the president of BMHA. Requests will be addressed at the executive committee level and if further development is required then the request will be forwarded to the appropriate mandated standing sub-committee, defined in the constitution, by-laws, policies and procedures of BMHA.

See also the Appendices for the detailed "schedules" which outline the duties of each Director and other Executives.

## **2i) Executive Committee**

Any member of the executive committee, except for the President, Directors of Rep, Director of House League Junior, Director of House League Senior, BMHA head coach, and Referee in Chief, may also serve as a coach, manager, or trainer of a BMHA rep team. However, any member serving in such an additional capacity must abide by the conflict of interest By-laws and/or policies of BMHA.

No member of the executive committee shall hold more than one position on the executive committee at any one time. However executive members may be members of more than one standing sub-committee or adhoc committee established for a specific goal.

Honorary executive members of BMHA may be appointed by the executive committee for outstanding dedication/contribution to BMHA. An honorary member shall have no voting rights.

The association may by Special Resolution increase or decrease the number of its Directors. Any change in the number of Directors shall be in compliance with prevailing Ontario laws and regulations.

A recommendation for discharge of any elected member of the executive may be made by the BMHA executive committee during a closed “in-camera” session of the voting members of the Board of Directors. Such action must be undertaken with due consideration to the best interests of the BMHA. In addition, a discharged member of the executive may also be released at that time from any role as coach, assistant coach, manager, trainer, or other volunteer, if the Board of Directors deems it appropriate and necessary in the best interests of the BMHA.

A discharged member will not be able to run for an elected position for the period of two (2) years following discharge, and where applicable will only be permitted to re-apply for other positions within the BMHA in accordance with Security Check policies, Coach Selections’ policies and other applicable policies, by-laws and constitutional conditions.

Discharge of an elected member of a standing committee, may be made by the executive committee by a simple majority vote of the executive committee.

Discharge of an appointed/approved member of a standing committee can be made by the executive committee by majority vote after recommendation by the chair of that committee.

## **2j) Executive Replacement**

If for any reason an appointed executive member fails to complete a term of office, the elected executive officers of the BMHA, by majority vote, have authority to appoint a replacement who will hold office until the next AGM. At that time the replacement executive member will be required to be voted into the position, even if the term for that position is not normally up for election.
