### Patrick Brown presents Hockey Night in Barrie 2015

Help us raise money for the Royal Victoria Regional Health Centre!

The EIGHTH annual Hockey Night in Barrie will take place on Thursday, August 13, 2015 at the Barrie Molson Centre!

Each and every year, Barrie residents and businesses astound and amaze with their out-pouring of support for Hockey Night in Barrie.

Over the past seven years, we have been able to raise more than \$1 million in support of the Royal Victoria Regional Health Centre. Let's keep that momentum going this year!

All funds raised will be directly donated to the RVH. Specifically, the donations will be geared towards two initiatives: The Simcoe Muskoka Regional Cancer Centre as well as the development of a child and youth mental health in-patient unit - a service that is greatly needed in our region.

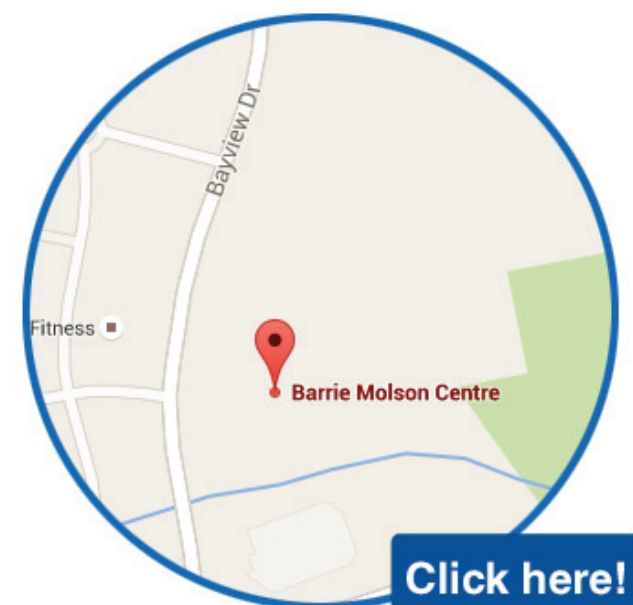

Each ticket you purchase, every donation you make, is helping to provide top-notch health care to those who need it in the community.

Don't delay. This event sells out every year!

### DIRECTIONS TO THE BARRIE MOLSON CENTRE

"It has been great to have so many past and present Barrie Colts in the lineup for HNIB over the years. Same thing applies to the alumni of the Toronto Maple Leafs. These are a class organizations and wonderful partners in support of our hospital. The talent level of Hockey Night in Barrie has consistently remained high and this year's game is shaping up to be the most action packed yet!"
