PROGRAM INFORMATION

Registered players will participate in a total of 12 hours of on-ice training; that's 4 hours of dedicated on-ice instruction each session.

The sessions will focus on the development of individual skill to upgrade each player's performance in game action. This is an excellent opportunity to improve individual skating and stickhandling ability, spending more hours on the ice than an entire Christmas Hockey Tournament.

Note: All students require complete hockey gear with both a white and a dark colour jersey, a water bottle and two hockey sticks.

+ Less all time required for ice-resurfacing
