PROGRAM INFORMATION

You have to have a Hockey Brain in order to move ahead in today's game. The goal of this camp is to prepare players for tryouts and to think and read the game.

These high-value training sessions will include "Gym on Ice" training, skating development, puck control and small area games.

Note: Registration is for your own child/player. If you cannot make a session you may not send another student in your child/player's place. All students will need a white and dark coloured jersey, and a water bottle.
