

## Professional Expertise

At National Training Rinks all of our training and instruction has been developed with the expertise of over 50 years of NHL Hockey and high level coaching and instructional experience.

Mike Gartner, NHL Hall of Famer and Wes Jarvis, retired NHL player, developed and expanded NTR's unique approach to hockey instruction from beginners to elite hockey players.

This tradition of quality instruction is available at our Barrie facility. Len Pieprzak is the Facility Manager and has been with National Training Rinks for the past 12 years.
