

ABOUT OUR PROGRAMS

National Training Rinks is a full service facility and our primary commitment is to provide the best quality hockey and skating instruction at affordable rates. We have designed our ice surfaces, programs and staffing to meet this commitment.

From skill development to skill improvement, our programs provide an opportunity for a player to acquire new skills, reinforce existing ones and build confidence in a safe and enjoyable environment.

PROFESSIONAL EXPERTISE

At National Training Rinks all of our training and instruction has been developed with the expertise of over 50 years of NHL and high level coaching and instructional experience.

Mike Gartner, NHL Hall of Famer and **Wes Jarvis**, retired NHL player, developed and expanded NTR's unique approach to hockey instruction from beginners to elite hockey players.

This tradition of quality instruction is available at our Barrie facility. **Dave Patriquin** is the Facility Manager and has been in the industry for over 12 years, 8 years with the National Training Rinks family.

PHILOSOPHY AND PROGRAM

National Training Rinks delivers a unique, proven learning experience in programs from Learn to Skate to Elite specialized hockey development.

We strongly believe our unique rink design enables a higher degree of learning at all levels. Learning in a small environment creates faster/better skill development.

We are also committed to more personalized instruction which is achieved through **SMALLER CLASS SIZES**. Our programs have a maximum class size of 22 students. Smaller class size allows for more individual attention and a higher rate of drills.
